## Reports from the Field

**OECD:** New web site will be launched shortly (<http://new.sourceoecd.org> (<http://new.sourceoecd.org>)). The old and the new site will coexist for March. The new site will allow for permanent URL's using ISBN numbers. User statistics will be available also.

**World Bank:** As of this writing, about 1300 titles are now available in the World Bank Online Library

**TASK FORCE MEETINGS:** There will be a discussion about programming possible joint session of the three task forces. At the moment, the three task force meeting are scheduled at the same time which makâ
